

Music BM, Elective Studies in Business Emphasis

Degree Requirements

Admission to Music Degree Programs

Admission to all Music degree programs is by audition to demonstrate musical aptitude and potential, technical proficiency, and seriousness in selecting music as a four-year course of study. In addition to the applied music audition, placement examinations in music theory and music history may be required to confirm students' prior experience in these areas. Auditions can be scheduled at any time for the upcoming semester, and several pre-scheduled audition dates are also available in fall and early spring (contact the Music Department for more details).

Applied Music and Recitals

Music majors are required to study one applied area progressively each semester of the degree program. Music Education majors are exempt from this requirement during the student teaching semester. For all music majors, the applied lesson requirement consists of a weekly, individual lesson with your instructor, as well as a weekly enrichment activity in pedagogy and literature, which may take the form of a studio class, master class, performances by and for our students, or other experience identified by the department.

Students in Applied Music (private lessons) must pass a junior-standing advancement jury to confirm their level of performance skills for enrollment in AP MUS 3440 – AP MUS 3459 or AP MUS 4440 – AP MUS 4459. This advancement jury is usually taken at the same time as the applied music jury at the end of the fourth semester of enrollment in AP MUS 1440 - AP MUS 1459.

Evidence of sound musicianship, a close acquaintance with an appropriate portion of musical literature, and the ability to bring it to actual performance are required for graduation in all Music degree programs. Students in the B.M., Performance Emphasis fulfill this requirement with junior and senior recitals. Students in all other degree programs and emphasis areas fulfill this requirement with a senior recital. In some cases, upon the recommendation of the student's applied teacher, the senior recital (for non-performance majors only) may be replaced by participating in three regularly scheduled student recitals during the last two semesters of applied music study, or by performing for a special panel of faculty members.

Ensembles

Music majors are required to enroll in an approved ensemble (University Wind Ensemble, University Singers, or University Orchestra) each semester. Music Education majors are exempt from this requirement during the student teaching semester. For all music majors, the applied lesson requirement consists of a weekly, individual lesson with your instructor, as well as a weekly enrichment activity in pedagogy and literature, which may take the form of a studio class, master class, performances by and for our students, or other experience identified by the department. The following specific ensemble enrollments, depending upon the applied music area, are required:

- Wind and Percussion students—University Wind Ensemble;
- String students--University Orchestra;
- Voice students--University Singers;
- Keyboard and Guitar students--any approved ensemble, but those in the B.M. Music Education emphasis program must successfully audition for and enroll in an ensemble compatible with the teaching certification they are pursuing;
- Instrumental students may be required to participate in additional ensembles to enhance their musical development.

General Education Requirements

UMSL's General Education requirements apply to all majors.

Non-Music majors are encouraged to take music courses (EN PER and MHLT) at the 1000- or 2000-level toward UMSL's Humanities and Fine Arts general education requirement. Non-Music majors wishing to perform with ensembles (EN PER 1410, University Singers; EN PER 1500, University Orchestra; EN PER 1530, University Wind Ensemble; EN PER 1550, Jazz Orchestra) should contact the ensemble's director for information about auditions. M H L T 1150, Drumming Cultures of the World; M H L T 1160, Musical Journey through Latin America; M H L T 1170, Musical Journey through the Far East; or M H L T 1180, Musical Journey through Africa will meet the University's Cultural Diversity study requirement.

Other Requirements

Courses required for degree programs may not be taken on a satisfactory/unsatisfactory basis. Students must receive at least a C in each music course and maintain a GPA of 2.5 (3.0 for Music Education majors) in all music courses to meet degree requirements.

Majors are required to appear in performances at the department's discretion and to attend a prescribed number of departmental recitals. All music majors whose primary applied area is not piano or organ are required to pass an exam in piano proficiency before graduation. Music Education majors must pass this piano proficiency exam prior to student teaching.

The Music Department may require students to pass a placement test to enroll in the next level course, provided this or an equivalent test is administered to all students seeking to enroll in that course.
