

# Public Relations Undergraduate Certificate

- Create and conduct ethically sound and socially responsible public relations strategies and campaigns.

## Certificate Requirements

The Certificate in Public Relations offers a sequence of courses that will prepare students for a successful career in public relations. This writing-intensive certificate program includes a selection of required and elective courses that integrate practical knowledge of the public relations industry with communication planning and research tactics needed in today's ever-changing world. The sequence of courses is based upon the latest report from the Commission on Public Relations Education and the certification requirements of the Public Relations Society of America. To earn the certificate, student must complete a minimum of 21 credits in the designated courses with a grade of "C" or better.
