A practical and theoretical exploration of contemporary art practices organized around structured assignments that will explore various modes of working in art. This course is designed to assist studio students in developing a personal, non-medium specific approach to art making and problem solving. Lab fee required. Basic computer lab equipment will be provided, though students will need to supply some personal equipment and supplies.

**ST ART 1130 Ceramics II: 3 semester hours**
Prerequisite: ST ART 1030. A continuation of ST ART 1030. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1140 Drawing I (MOTR PERF 105D): 3 semester hours**
An introduction to drawing through the study of figure, object, and environment. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1142 Figure Drawing I: 3 semester hours**
Basic studies of the human form and anatomy from the model in a variety of drawing media. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1143 Figure Drawing II: 3 semester hours**
Prerequisite: ST ART 1142. Continuation of Figure Drawing I. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1150 2D Design: Surface: 3 semester hours**
This course uses tactile and digital methods to introduce students to imaging in black and white, color, and principles of 2D pictorial space. Using a variety of media, students will explore and understand the foundations of visual thinking. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1151 3D Design: Space: 3 semester hours**
Prerequisites: ST ART 1150 or consent of instructor. This course introduces students to the fundamentals and technical principles of working three dimensionally. Students will experiment with a number of construction methods and materials used to create, represent, respond to, and reflect on form and space. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1181 Painting II: 3 semester hours**
Prerequisite: ST ART 1180 or consent of instructor. Continuation of basic studio problems in painting media. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 1210 Graphic Design I: 3 semester hours**
Prerequisite: None. Introduction to graphic design with an emphasis on fundamentals of space, emotion, shape, form, and concept. Projects in design, layout and typography will be addressed. The course is recommended to be taken concurrently with ST ART 1150, Design I. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

**ST ART 1220 Graphic Design II: 3 semester hours**
Prerequisites: ST ART 1150 and ST ART 1210. Continuing introduction to graphic design, focusing on developing concepts and design process, typographic systems and layout systems. The course is recommended to be taken concurrently with ST ART 2220, Computer Design I. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

**ST ART 2160 Photography II: 3 semester hours**
Prerequisite: ST ART 1060. An introduction to the techniques and aesthetics of black and white photography and the darkroom. Students must provide a film camera with adjustable speeds and aperture. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

**ST ART 2212 Image Making for Graphic Design: 3 semester hours**
Prerequisites: ST ART 1220 or consent of instructor. This course teaches skills of making images and custom type for use in visual communication. Topics covered include a survey of traditional and experimental illustration techniques with an emphasis on creation of original imagery. The class will discuss how hand images are further developed and combined on the computer for use in design. Creativity, discovery, and craft are highly emphasized. Lab fee required.

**ST ART 2220 Computer Design I: 3 semester hours**
Prerequisites: ST ART 1150 and ST ART 2205, concurrent enrollment in ST ART 3305 recommended. This course introduces students to the use of computer graphics for the creation of artwork applicable to the graphic design industry. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

**ST ART 2221 Computer Design II: 3 semester hours**
Prerequisite: ST ART 2220. Designed to familiarize students with the methods processes, software, and computer functions used in graphic design and illustration. The course is recommended to be taken concurrently with ST ART 3310, Graphic Design III. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 2230 Drawing II: 3 semester hours**
Prerequisites: ST ART 1140 or consent of the instructor. This course facilitates the development of drawing skills though continued observation and problems of invention. Student will explore and use varied drawing materials and techniques including graphite, charcoal, conte crayon, and inks. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

**ST ART 2235 Comics and Cartoon Illustration: 3 semester hours**
This is a course in creating and appreciating the world of comics and cartoons. Students will investigate and learn the tools and techniques for creating cartoons and cartoon illustrations to create their own cartoons through the use of traditional media and computers. While designed for beginners, experienced artists will be encouraged to perfect their personal styles. The class will create and print its own comic book. A lab fee is required. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2245 Painting I: 3 semester hours
Prerequisites: ST ART 1140 and ST ART 1150, or consent of instructor. This course is an introduction to the use of oil and/or acrylic painting media. Students will address studio problems to develop technical and expressive skills on various surfaces. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2252 Printmaking I: 3 semester hours
Prerequisites: ST ART 1150 and ST ART 2230, or consent of instructor. This course provides an introduction to printmaking techniques, materials, and theories. The course will include work in a variety of print materials. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2260 Photography I: 3 semester hours
This course is an introduction to the techniques and aesthetics of digital photography, along with photo editing software and printing techniques. Students must provide a digital camera. A lab fee is required. Basic computer lab equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2263 Digital Color Process: 3 semester hours
Prerequisites: ST ART 1060. An extended study in the process of digital printing. The class will help students refine their techniques using digital color management and explore various techniques to assure the closest relationship between the image on the monitor and the resulting print. Hands-on training with different digital printers, digital media and scanning techniques will be offered. This class will involve both learning exercises and the creation of original computer-aided photographic art. Lab fee required. Students must provide a digital camera. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2264 Non-Silver Photography: 3 semester hours
Prerequisites: ST ART 1060 and ST ART 2160. An introduction to the aesthetics and techniques of nontraditional photographic processes. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2269 Commercial Application in Photo: Photojournalism, Documentary, and Public Relations Photography: 3 semester hours
Prerequisite: ST ART 2263 or consent of instructor. Exploration of issues and applications within the field of photojournalism, documentary, and public relations photography. The class will concentrate on a variety of photographic applications focusing on news and editorial imagemaking, as well as training the student in public relations assignments. This class will involve both learning exercises and the creation of original computer-aided photographic art. Students must provide a digital camera. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2270 Ceramics I: 3 semester hours
This course is an introduction to the basic methods and theory of ceramics including work with hand-built construction, wheel techniques and glazing. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2271 Printmaking II: 3 semester hours
Prerequisite: ST ART 1170 or consent of instructor. A continuation of ST ART 1170. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2273 Printmaking: Etching: 3 semester hours
Prerequisites: ST ART 1150 and ST ART 1141 or consent of instructor. An introduction to printmaking skills and theory of contemporary etching practices. Development of skills and aesthetic judgements in the media using non-toxic etching processes. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2275 Sculpture I: 3 semester hours
This course is an introduction to traditional and contemporary materials, aesthetics, and theories of three-dimensional art. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2277 Introduction to Fibers and Textiles: 3 semester hours
This course provides an exploration of a variety of on- and off-loom weaving and other fiber and textile media and techniques. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2280 Painting III: 3 semester hours
Prerequisite: ST ART 1181 or consent of instructor. Advanced studio problems in painting media. Attention paid to individual development of theory, expression, and technique. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 2283 Watercolor Painting: 3 semester hours
Prerequisites: ST ART 1150 and ST ART 1141. Beginning problems in watercolor painting. Includes the study of traditional and contemporary approaches to color, color techniques, and treatment of papers. May be repeated for credit. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 2290 Special Study: 1-10 semester hours
Prerequisites: Junior/Senior standing and consent of department and instructor. Independent study through readings, reports or field research. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3074 Special Topics in Studio Art: 3 semester hours
Prerequisites: Minimum completion of 18 hours in Studio Art. Selected topics in studio studies. May be repeated for credit with a change of topic. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3260 Photography III: 3 semester hours
Prerequisite: ST ART 2160. An exploration into contemporary theories and trends in photography. Advanced projects, portfolios and techniques will be expected from those enrolled. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.
ST ART 3310 Graphic Design III: 3 semester hours
Prerequisite: ST ART 1220 and ST ART 2220. Advanced studio problems to further the understanding of design and its relationship to typographic elements, illustration, and communication. The course will encourage both conceptual and technical development of the designer. The course is recommended to be taken concurrently with ST ART 2221, Computer Design II. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3311 Graphic Design IV: 3 semester hours
Prerequisite: ST ART 3310 and ST ART 2221. Further studio problems in the graphic arts. The course is recommended to be taken concurrently with ST ART 2210, Typography. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3312 Advanced Topics in Graphic Design: 3 semester hours
Prerequisites: ST ART 3311 or permission of instructor. Studies of selected topics, which will vary. May be repeated for credit with a different topic, for a maximum of 9 credit hours. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3313 Introduction to Motion: 3 semester hours
Prerequisites: ST ART 2220 and basic knowledge of Photoshop and Illustrator. This course explores the fundamentals of motion design for the graphic designer. Students will learn the basics of animating, using After Effects software. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3317 Art of 3D Animation II: 3 semester hours
Prerequisites: ST ART 3316. In this production course, students will work on advanced techniques of animation and the mechanics of spatial graphics software, and will study the storytelling and visual techniques central to creating a successful animated presentation. Each student will produce an animated video presentation during the class. A lab fee is required. Basic computer lab equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3323 Fundamentals of Researching User Experience: 3 semester hours
Prerequisites: ST ART 3322. In this course, students will discover in greater detail the methods for researching user experiences within interactive systems. This will include basic tools like interviews, surveys, and usability studies. The course will demonstrate how to translate user research into personas, use-case scenarios, and functional requirements for software and other uses, such as implementation in marketing and product design. Course work will include readings, research papers, and user research. A lab fee is required. Basic equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3350 Studio Art Internship: 1-6 semester hours
Prerequisites: Junior/Senior standing in studio art and consent of the faculty advisor. The internship provides experience in design firms, professional art studios, or comparable settings. Students will assist professionals in the diverse duties associated with studio art activities. Course assignments may include research assignments and/or reports to be reviewed by the faculty advisor and/or supervisor. May be repeated for credit, up to a maximum of 6 credit hours.

ST ART 3352 Printmaking: Screenprinting: 3 semester hours
Prerequisites: ST ART 2252 or consent of instructor. This course provides an introduction to the techniques, methods, and aesthetics of screenprinting. Studio problems involving uses and approaches will be emphasized. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3354 Printmaking: Lithography: 3 semester hours
Prerequisites: ST ART 2252 or consent of instructor. This course provides an introduction to printmaking skills and theory in stone and plate lithography and examines studio problems in the use of materials and equipment. Attention will be given to students’ individual development. A lab fee is required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3366 Commercial Applications in Photography: 3 semester hours
Prerequisites: ST ART 3362 or consent of instructor. This course explores issues and applications within the field of photography. Techniques of lighting, posing, and studio equipment are discussed. This class involves both learning exercises and the creation of original computer-aided photographic art. Students must provide a digital camera. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3372 Advanced Lithography: 3 semester hours
Prerequisite: ST ART 1173. Continuing problems in lithography with problems in black and white, photolithography, and/or color. May be repeated for credit. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3382 Advanced 2D Practices: 3 semester hours
Prerequisites: ST ART 1150 and two 2000 level courses in 2D art practice. This course will afford students the opportunity to continue to explore and develop advanced technical and conceptual strategies in two-dimensional media. This course may be offered with varying themes, and may be repeated for credit with a different topic. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3383 Advanced Problems in Graphic Design I: 3 semester hours
Prerequisite: ST ART 3311 and ST ART 2210. This course is focused on professional-level art and portfolio production. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 3384 Advanced Problems in Graphic Design II: 3 semester hours
Prerequisite: ST ART 3383. A continuation of ST ART 3383. The course includes the preparation of a faculty-reviewed portfolio. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 3385 Advanced 3D Practices: 3 semester hours
Prerequisites: ST ART 1151 and two 2000 level courses in studio art, one of which must be in 3D practice. This course will afford students the opportunity to continue to explore and develop advanced technical and conceptual strategies in three-dimensional media. This course may be offered with varying themes, and may be repeated for credit with a different topic. A lab fee is required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.
ST ART 3390 Special Study: 1-10 semester hours
Prerequisite: Junior/senior standing and consent of department chairperson and instructor. Independent study through readings, reports, or field research. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 4495 Senior Studio Seminar: 3 semester hours
Prerequisites: Senior standing and ST ART 3381, ST ART 3341, ST ART 3392 or ST ART 3371. Weekly critiques and discussions of technical and professional issues. Will instruct students in methods of portfolio display, documentation, gallery representation, grant writing, and professional preparation. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies. Offered only during Fall Semester.

ST ART 4496 Senior Studio Seminar: 3 semester hours
Prerequisites: Senior standing and ST ART 4495. Weekly critiques and discussions of technical and professional issues. Will instruct students in methods of portfolio display, documentation, gallery representation, grant writing, and professional preparation. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies. Offered only during Winter Semester.

ST ART 4497 Senior Seminar in Graphic Design I: 3 semester hours
Prerequisites: Senior standing and ST ART 3384. Students must pass the junior portfolio review. Weekly critiques and discussions of technical and professional issues. Will instruct students in the methods of professional preparation. Lab fee required. Basic studio equipment will be provided, though students will need to supply some personal equipment and supplies.

ST ART 4498 Senior Seminar in Graphic Design II: 3 semester hours
Prerequisites: ST ART 4497. Continuation of ST ART 4497. Will instruct students in the methods of professional preparation. Lab fee required. Basic studio equipment will be provided though students will need to supply some personal equipment and supplies.

ST ART 5590 Special Study: 1-6 semester hours
Prerequisites: Graduate standing and consent of instructor. Independent study through art making, readings, reports, or field research. Studio Art fee required.
