

Corporate Controllership Graduate Certificate

Program Description

The Graduate Certificate in Corporate Controllership provides students with the skills to succeed in corporate financial management. Topics emphasized include cost behavior and control, budgeting, forecasting, financial analysis, and business analytics.

Admission Requirements

Applicants must meet general University of Missouri-St. Louis Graduate School admissions requirements.

Certificate Requirements

All course prerequisites and all course waivers are applicable. Substitute courses may be approved by the appropriate department chairperson and the Director of Graduate Business Programs. All 12 credit hours taken as part of this certificate transfer to the MBA degree program.
