Doctor of Education (Ed.D.)

The Ed.D. in Educational Practice degree is designed for educational practitioners interested in: (1) leading critical analyses of existing problems of practice and (2) proposing solutions to those problems of practice that can be assessed for effectiveness. Students are admitted to a learning community of practice, under the mentorship of a faculty team that focuses on an area of educational practice (theme).

Students seeking the Ed.D. degree are expected to meet the Graduate School's relevant practitioner doctoral degree requirements and procedures.
