

# Media Production Undergraduate Certificate

---

The Certificate in Media Production provides a sequence of courses designed to develop multi-channel and multi-media skill sets that can be used by students to record, edit, and produce media for artistic, personal, or commercial applications. Students will develop a portfolio of work that will reflect both independent and client-centered content. Students who complete the Certificate in Media Production will develop the knowledge and skills needed in a rapidly changing media environment.

The Certificate in Media Production is composed of 18 hours of coursework. Students must complete at least 12 hours at UMSL and earn at least a B in any course applied to the certificate.
