

Modern Language BA, Dual Language Emphasis Professional

To meet the increasing demand for multilingual professionals, the Department offers students the option of the Dual Language Professional Track as part of the B.A. in Modern Languages. Students interested in pursuing intermediate studies in more than one language may combine the study of any two of the following languages: French, Japanese, or Spanish. Coursework focuses on developing language proficiency, intercultural competency, and professional skills. Students in the dual-language concentration also benefit from numerous study abroad opportunities to further refine their linguistic and cultural competencies.

General Education Requirements

Each language major must satisfy the general education requirements of the university and the general education requirements of the College of Arts and Sciences.

Specific Requirements or Restrictions

Students entering with no high school language units must enroll in Language 1001 or may enroll in Language 2115. Language 2115 (a, b, and c) is the intensive study of a language and will satisfy the foreign language requirement. 2115a, 2115b, and 2115c are co-requisites and must be taken concurrently. To satisfy the foreign language requirement all three sections must be completed with a grade of C- or better.

A grade of D in a Language 1001 course is a passing grade but not an entrance grade for a Language 1002 course. A grade of D in a Language 1002 course is a passing grade but not an entrance grade for a Language 2101 course or its equivalent. A grade of D in a Language 2101 course fulfills the language requirement but is not an entrance grade for a higher-level course.

Demonstration of a high level of proficiency may affect the number of hours required for the major. Native or heritage speakers of a language should consult with the department concerning appropriate placement and advising. Students with previous language coursework should contact the department for language placement testing and advising. Students may not take for credit an elementary course if they have already completed a higher-level course for which the elementary course, or its equivalent, is a prerequisite.

Degree Requirements

All courses for the major must be passed with a grade of C- or better. No course required for the major may be taken on a satisfactory/unsatisfactory (s/u) basis with the exception of those taken abroad as part of a university program that has received departmental approval.

Bachelor of Arts

All students seeking a B.A. in a Modern Language must successfully complete FGN LANG 2100 Languages and World View and FGN LANG 2294, Foreign Language Careers for the Global Market, and must meet the departmental requirement of a minimum of 33 hours in French or 37-39 hours in Japanese or 35 hours in Spanish or 30-33 hours in the Dual Language Professional Emphasis (excluding Language 1001 and 1002). The maximum number of hours that may be taken in the

major is 45 (including Language 1001 and 1002). In addition, students seeking the B.A. in a Modern Language who desire a teaching certificate must also take FGN LANG 4589 (same as SEC ED 4589), Curriculum and Methods of Teaching Foreign Languages, FGN LANG 4590 (same as SEC ED 4590), and fulfill the professional secondary education requirements of the College of Education.

Transfer Students

Transfer students majoring in one of the modern languages must complete at UMSL a minimum of 12 graded hours in language courses at the 3000 level or above with a grade point average of 2.0 or better in those courses.

Native Speakers

Native speakers must complete at least two courses at the 3000 level and four courses at the 4000 level to obtain a major in their native language.

B.S. Ed. in Secondary Education with Emphasis in a Foreign Language

The B.S. Ed. is a professional education degree designed for students who wish to pursue a teaching career in secondary schools. Much of the discipline-specific coursework parallels the B.A. degree in the

language; however, the Missouri Department of Elementary and Secondary Education (DESE) requires specific coursework for teacher certification. Therefore, students interested in the B.S. Ed. should contact the advising office (OASIS) 314-516-5937 in the College of Education for discipline-specific requirements. *Note: To obtain teaching certification, DESE requires a 3.0 GPA in the discipline and professional education coursework, as well as a 2.75 GPA overall.*

B.A. in a Foreign Language with Master's Level Coursework for Secondary Teacher Certification

In addition to the B.S. Ed., students may opt to complete a B.A. or B.S. degree in their discipline as an undergraduate, followed by admission to the Graduate School for Master's level teaching certification. The College of Education has a one-year accelerated program for post-graduate certification called Teach in 12, or students can choose a traditional path to certification. Graduate coursework for certification can apply towards a Master's Degree in Secondary Education, with additional coursework. Students interested in Master's Level teacher certification should contact the advising office (OASIS) 314-516-5937 in the College of Education. *Note: To obtain teaching certification, DESE requires a 3.0 GPA in the discipline and professional education coursework, as well as a 2.75 GPA overall.*
