## Studio Art BFA, Graphic Design Emphasis

The Art \& Design department at UMSL welcomes students to explore essential cultural and professional systems through creative visual practice. Students encounter both traditional and new technologies as means to study and create the visual world in which we live. Students in the Graphic Design program enjoy the benefits of close relationships with the St. Louis graphic design professional community. Our professors maintain a rigorous program that prepares students for immediate employment as creative design professionals.

## Career Outlook

Students with degrees in studio art (Graphic Design emphasis) find careers as graphic designers, art directors, creative directors, marketing professionals, user experience designers, web designers and other creative professionals.

Candidates for the B.F.A. degree must complete a Foundation and Core Art Program (which is largely satisfied by the A.F.A. degree) and an emphasis area in one of the following: art education, graphic design, or general fine arts studio practice. Studio Art majors are required to take 69 hours in studio art (this includes 27 hours in the foundation and core art program) and 12 hours in Art History. The final 30 hours must be completed in residence at UMSL. Graduating students must also pass a faculty portfolio review.

Advanced Placement in Studio Art Classes: Studio Art Majors who have professional Graphic Design or other professional studio experience may wish to submit a portfolio to a committee of Studio Art faculty. Depending on the nature and the quality of the student's portfolio, they may be able to obtain exemptions from selected lower level Studio Art courses. Students applying for these exemptions must submit their portfolios prior to the first day of class of their first semester in the BFA Program. Students will be notified in writing if an exemption is granted. Students informed of these waivers will be advised of their requirements in the studio art major. All decisions of the portfolio reviews are final.

## General Education

Majors in Studio Art must meet the college and university general education requirements. A foreign language is not required. Studio Art courses required for the degree may not be taken on a satisfactory/ unsatisfactory (S/U) basis. A minimum of 120 hours is required for graduation. Certain Studio Art courses fulfill the humanities and fine arts general education requirement.

INTDSC 1003 is required only for first-time freshmen and transfer students with less than 24 college credits.

Please Note: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester. All requirements are subject to change.
