

Technical Writing Undergraduate Certificate

Requirements

Students earn the Online Certificate in Technical Writing by completing 18 hours in selected online writing courses with a grade point average of 3.0 or better, including a capstone course. Twelve of the 18 hours must be taken at the University of Missouri-St. Louis. Courses may not be taken on a satisfactory/unsatisfactory basis.

UMSL Courses

ENGL 3120	Business Writing	3
ENGL 3130	Technical Writing	3
ENGL 3160	Writing in the Sciences	3
ENGL 4870	Advanced Business and Technical Writing	3

Students may use ENGL 4890, ENGL 4892, ENGL 4870, ENGL 4871, and ENGL 4872 as their capstone course.

When the student has completed requirements for the certificate, the coordinator will notify the university registrar and the college from which the student will graduate. Upon the student's graduation, completion of the Online Technical Writing Certificate will be noted on the official transcript and a certificate will be mailed to the student's residence. Students who have graduated before completing the Online Technical Writing Certificate will receive the certificate in the mail and will have the certificate entered on their official transcripts.

Learning Outcomes

Upon completion of the program, certificate earners will be able to:

- Revise and edit texts efficiently
- Adjust style, tone, and format to best suit a professional context
- Develop rhetorical flexibility as it pertains to shifting professional writing expectations
- Identify various readers and stakeholders, and the situations in which they both operate
- Accurately compose language that meets the needs of readers and stakeholders
- Identify and solve real world problems via writing/composition
- Design and create texts in various modes (e.g. digital, videos, alphabetic, auditory, and multiple/combined modes)
- Demonstrate an ability to apply contextually appropriate rhetorical strategies and technologies to solve communication problems successfully and safely
